

Sample Letter to a Donor Family

Dear Donor Family,

We don't really know how to thank you other than to say Thank You. We are truly sorry for your loss and we understand how much your loved one meant to you.

My mother is alive thanks to your generosity. She is more than my mother, she is my sister's mother and my brother's mother. She is a grandmother to my nephew and nieces. She is a sister to my uncle. In short, she is someone whose life means so much to so many. And she is alive because of your gift.

We are so very grateful. We thank you from the bottom of our hearts.

With love, kindness and sorrow for your loss,

Our family
