

OneLegacy's 2025 Donate Life Month Toolkit

Dear Donation Community partner,

Thank you for helping us promote the importance of organ, eye and tissue donation with your audience!

This toolkit will provide you with key information and templates to use in April during Donate Life Month, and throughout the year.

In addition to this document, you will also find our OneLegacy logo and proposed graphics for you to use on social media channels, e-newsletters and other publications.

Key Dates to Observe during the month of April:

 April 1-30	Donate Life Month
 April 2	Donate Life Living Donor Day
 April 5-12	Blue & Green Spirit Week
 Friday, April 11	National Donate Life Blue & Green Day
 April 20-26	National Pediatric Transplant Week
 April 21-28	Transplant Nurses Week

The Donate Life Month Toolkit includes the following documents:

Page 2	2025 National Donate Life Month theme
Page 3	Facts about Organ, Eye and Tissue Donation
Page 4	Social Media Posts
Page 6	Newsletter Copy Template
Page 7	Sample Graphics to use during Donate Life Month

Social media graphics and a press release template will be included with this toolkit for your reference and use.

2025 Donate Life Month Theme

Let Life Sing!

Birds are known across many cultures as one of the most welcomed and visible signs of spring. They represent both new beginnings and visits from loved ones who have passed away. The yearly return of birds and their songs offer us a sense of peace and hope.

National Donate Life Month is a time to inspire our local communities to learn about organ, eye and tissue donation, to honor and remember donors and the lives they have saved and healed. Your decision to be an organ, eye and tissue donor gives hope to the 100,000 people on the national organ transplant waiting list who are waiting for a second chance at life.

During National Donate Life Month and throughout the year, join us in helping save and heal lives: register your decision to be an organ, eye and tissue donor, learn more about living donation, and support the Donate Life cause.

We will also be recognizing the clinical teams continuing their dedicated work during this time to help honor the gift of donation and save the lives of those waiting for a second chance at life.

This National Donate Life Month, we ask you to be a part of this interconnected life-sustaining community by partnering with OneLegacy to champion the Donate Life cause.

Fact Sheet – Organ, Eye and Tissue Donation

-  National Donate Life Month recognizes the generosity of those who have saved and enhanced lives by becoming organ, eye and tissue donors, while also highlighting the critical need for more people to sign up to be donors.
-  Your decision to be an organ, eye and tissue donor gives hope and light to the **100,000+ people** who are currently waiting for a lifesaving organ transplant, and to hundreds of thousands more whose lives could be healed through eye and tissue transplantation.
-  In California alone **more than 20,000** are waiting to receive need lifesaving hearts, livers, lungs, kidneys and pancreas transplant; but there are simply not enough donors to meet the growing need.
-  **Every 9 minutes** another person is added to the national transplant waiting list
-  Nationwide, **17 people die each day** while waiting for a lifesaving organ transplant.
-  A single organ donor can save the lives of **up to eight people** and improve the lives of **as many as 75 more** by donating their corneas and tissue.
-  In 2024, organ donation from deceased donors in the United States set an all-time record. Nearly **17,000 donors** provided one or more organs to save and enhance the lives of others.
-  More than **48,000 life-saving transplants** were performed in the U.S. in 2024, representing a 3.3 percent increase from the number of transplants in 2023.
-  Every major religion in the United States supports organ, eye and tissue donation as one of the highest expressions of compassion and generosity.
-  Families of those who become donors often take comfort in knowing that their loved one's donated organ can give someone else a second chance at life.

Social Media

Donate Life Month – Social Media

Thank you for supporting Donate Life Month on your social media channels. Your support helps to ensure that accurate information and life-saving encouragements to register as an organ, eye and tissue donor continue to reach the community.

Hashtags

#DonateLifeMonth #MesdeDoneVida #OneLegacy #OneLegacyDLM

Utilizing these hashtags will help our community see your organization's support. Social media users who view your posts will also be able to connect to other Donate Life Month posts from across the region, state, and country! Those engaging with your posts will be able to see that your organization is participating in a national observance, honoring a life-saving cause with broad community support. These hashtags lend legitimacy and a sense of community to your Donate Life Month social media posts.

OneLegacy

We are the federally designated, non-profit organ, eye and tissue recovery agency that serves your community. Tagging OneLegacy in your social media posts helps connect your community members to the organization that will ultimately honor the gifts of life they choose to leave if they register as an organ, eye or tissue donor.

Don't forget to tag us or collaborate with us so we can share your post to our stories and further honor those who choose to give the gift of life.
